NOTES FROM THE DESIGNER

When we looked at the direction for the new AW21 season, we knew that, as ever, there would be no escaping the trend for lush tropical prints.

Kiawah Island sets the tone for the season, with its tropical palms and botanical lilies stretching across a crispy white ground, in aquamarine blues, greens and fuchsia pinks.

Île de Ré channels 'beach chic' with its stylish monochrome colour story, whilst all-new Santos Beach is set to make a splash in a thirst-quenching burst of pomegranate. Its palm leaf print features a unique marble effect design, and contrast teal accents complete the look.

Fantasie Favourite Palm Valley returns for another season in the spotlight too, with a mix of zesty greens and flecks of violet, which we just love as they pop against a striking black base.

Aside from the tropics trend, we've got La Chiva which plays host to an asymmetric stripe design in an Aquamarine and white pairing, whilst Kotu is back for AW21 in a mix of electric blues and inky tones for an elegant poolside look.

With so much on offer, and an uncompromising fit and support you can trust, we just know you're going to love the season ahead and find all the styles you need to enjoy those moments in the sun.

SOAK UP THE SUN

Walking over hot sand, with the sun warming
my body, I feel like I've found my place in the world.

It's a lot to do with feeling so comfortable
in my own skin, in swimwear that truly fits me.

Fantasie Swim knows my body as well as I do.
And it shows.
