

A woman with voluminous curly hair is posing in a laundromat. She is wearing a black two-piece bikini with a vibrant floral pattern in shades of pink, orange, and green. She is leaning against a row of light blue front-loading washing machines. Her right arm is raised with her hand near her forehead, and her left hand rests on her hip. To her right, a pink plastic laundry basket filled with clothes sits on a wooden bench. The floor is made of speckled tiles.

SWIMWEAR FOR THE FULLER FIGURE UP TO A JJ CUP

A range of cup-sized styles for the beach or the pool.
Our bold designs and contemporary styles give you the
confidence and support you need to command every day!

“I was so accustomed to wearing the wrong kind of bra when the right one came along I almost didn’t know what to do with myself.

The support, not only of the lingerie and swimwear pieces, but of the Elomi community too, has changed my daily life.”

Emma Meyer

Dark Tropics

It's fair to say that the trend for lush tropical florals is going nowhere fast when it comes to swimwear! Luckily, it's a trend we can't get enough of either, and for the new season we bring you Dark Tropics. We've teamed corals, leafy greens and tones of pink together to create this bold print design, and we hope you love the way the colours pops against the contrast black base as much as we do.

Kambuku

Prepare to up your swim game for AW21 with all-new Kambuku. We have really dialed up the fierce factor with this one - the colour palette is bold, and the leopard print design is such a statement maker and so on-trend! Kambuku uses a honeycomb textured fabric, which feels buttery soft, plus we've updated our existing UW Bandeau Bikini Top to feature an adjustable centre front tie, which you can customise for a look and fit to suit you.

ES800302 / ES800371

Checkmate

Gingham is making a big come back, and we're so ready to channel some retro swim chic together for AW21! Checkmate's monochrome colour story, sees the checks feature in grey marl on white giving it the effect of being printed onto a jersey fabric. The beauty of this collection is all in the detail too - so expect ruffles, handkerchief hems and tortoiseshell bead trims, as well as our faultless fit signature support.

So many styles.
So little time.
